

ADVANCE HEALTHCARE DIRECTIVE

State of Illinois — Power of Attorney for Health Care & Living Will Declaration

I, Jordan Michael Casey, of 482 Maple Ridge Lane, Springfield, IL 62704, being of sound mind, willfully and voluntarily make this declaration to be followed if I become unable to participate in decisions regarding my medical care.

1. Health Care Agent. I appoint Alexis Renee Casey as my Health Care Agent to make decisions on my behalf if I am unable to do so. If my Agent is unable or unwilling to serve, I appoint Marcus T. Casey (Brother) as my Successor Agent.

2. Life-Sustaining Treatment. If I have an incurable and irreversible condition that will result in death within a relatively short time, and I am no longer able to make decisions regarding my medical treatment, I direct that life-sustaining treatment be withheld or withdrawn, and that I be permitted to die naturally, with only the administration of medication or the performance of any medical procedure necessary to provide comfort or alleviate pain.

3. Artificial Nutrition and Hydration. I DO NOT want artificially administered nutrition and hydration if it would only prolong the process of dying.

4. Organ Donation. Upon my death, I wish to donate any needed organs, tissues, and eyes for the purpose of transplantation, therapy, research, or education.

This declaration shall remain in effect until revoked by me in a manner provided by law.
